

Ansh Kumar Shrivastav

Software Engineer Intern

📍 Basti, Uttar Pradesh | 📞 +91 9918178433 | ✉ dev.ansh.shri.6@gmail.com | 🔗 [linkedin.com/in/ansh-kumar-shrivastav-8882612a7](https://www.linkedin.com/in/ansh-kumar-shrivastav-8882612a7)

ABOUT ME

Aspiring Software Engineer with a strong foundation in Computer Science, Data Structures, and Algorithms (DSA). Passionate about building scalable applications and solving complex logic problems. Proficient in Java, JavaScript, and SQL with a focus on efficient backend and frontend implementation.

TECHNICAL SKILLS

Programming Languages: Java (Backend), JavaScript, Python (Basic), C (Basic).

Core CS Fundamentals: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Computer Networks.

Web & Databases: HTML/CSS, SQL (Relational Data Modeling & Queries), REST APIs (Familiarity).

Tools: Git, VS Code, IntelliJ IDEA, MATLAB.

SOFTWARE PROJECTS

Responsive Computational Engine | Logic & Frontend Implementation

Developed a high-efficiency arithmetic logic interface using JavaScript for real-time calculations.

Optimized architecture for low-latency response and cross-platform compatibility.

Implemented robust input validation logic and edge-case handling for reliable operations.

Task Management System | System Architecture & Backend

Designed a productivity application focused on task scheduling, prioritization, and state management.

Implemented a SQL-based backend for efficient data persistence and retrieval.

Structured application logic to handle complex user-defined data flows.

EDUCATION

Bachelor of Computer Science | City College of Management (CCM) | July 2023 – July 2026 | CGPA: 7.5

Intermediate (Science) | HLV Inter College | July 2020 – July 2023 | 83.6%

CERTIFICATIONS & ACHIEVEMENTS

HackerRank: Problem Solving (Basic & Intermediate) - demonstrated algorithmic proficiency.

Oracle: Java Learning Badge.

MATLAB Onramp: Certified in system modeling basics.
